

Wild Woolaston Community Interest Company

Wild Woolaston Community Interest Company (CIC) was formed in April 2018, with the aim of providing young local people aged between 8 and 13 with team-building and lifeskills training. We wanted to give young people an enjoyable and challenging experience, with emphasis on contributing to the local community and appreciating the amazing countryside and outdoor activities we have right on our doorstep.

Since its launch, we have had an incredible response, with almost 50 young people wanting to get involved. We meet every Thursday at 6.30pm during school term times, and have a number of additional activities planned, including a Summer Camp at the end of July.

Due to the success of Wild Woolaston, we are looking to appoint a number of additional leaders to share in the responsibility of running the Group. We are looking for local people who would be willing to:

- Commit to a minimum of 2 evening (Thursday) meetings per month
- Take part in additional activities held at weekends and during school holidays
- Contribute to the ongoing development and improvement in the Wild Woolaston project

We would particularly be interested to hear from anyone who has relevant skills and training that would benefit the young people.

Every new leader would need to undertake a DBS check, First Aid and Safeguarding training (mandatory). In addition, we would be happy to fund additional training that would help us extend the range of activities that we can undertake with the Group.

If you are interested in getting involved in this amazing venture, please contact us:
